

QUALIFICATION:

91509NSW Course in Owner Builder Compliance

BACKGROUND:

The course introduces the participant to the multitude of obligations of being an Owner Builder. It will also provide the participant an insight into the compliance obligations relating to building, renovating and refurbishing a home. This course also covers the supervisory and management issues relating to managing a building site. Included in the modules are the critical areas of contract and contract management with suppliers and contractors and the responsibility to occupational health and safety during the construction process. It will also provide participants insight into the essential financial aspects relating to estimating, cash flow and job costing.

Learning Outcomes:

There are 5 modules covered

- Prepare to be an Owner Builder
- Occupational Health & Safety
- Drawings, Estimating, cash flow
- Administer contracts
- Managing the work

QUALIFICATION:

A Nationally Recognised Statement of Attainment for 91509NSW Course in Owner Builder Compliance is issued to successful participants. AlertForce (NTIS 91826) is the RTO and will issue your Statement of Attainment.

MATERIALS & DURATION:

The 91509NSW Course in Owner Builder Compliance is undertaken online through a series of videos and quizzes.

PRE-REQUISITES:

Must have completed CPCCOHS1001A Work safely in the construction industry (White card).

COURSE:

CPCCOHS1001A Work safely in the construction industry (White card)

**BACKGROUND:**

This unit of competency specifies the outcomes required to undertake Occupational Health and Safety (OHS) induction training within the construction industry. It requires the ability to demonstrate personal awareness of OHS legislative requirements, and the basic principles of risk management and prevention of injury and illness in the construction industry.

LEARNING OUTCOMES:

On successful completion of this work safely in the construction industry training course will enable participants to:

- Identify OHS legislative requirements
- Identify construction hazards and control measures
- Identify OHS communication & reporting processes
- Identify OHS incident response procedures

QUALIFICATION:

A Nationally Recognised Statement of Attainment for CPCCOHS1001A Work safely in the construction industry is issued to successful participants. Helps demonstrate a worker approach to due diligence requirements as well as environmental management. AlertForce (NTIS 91826) is the RTO and will issue your Statement of Attainment.

PRE-REQUISTES:

None

HOW DO I GET MY CERTIFICATE?

IMPORTANT: PARTICIPANTS NEED TO FOLLOW THIS WORKFLOW FOR ALL NATIONALLY RECOGNISED TRAINING COURSES
